NCEES Records - v33693

Licensed engineer in Alabama, Florida, Georgia, Idaho, Illinois (SE), Missouri, North Carolina, Ohio, Oklahoma, South Carolina, Tennessee, Texas, Virginia & Washington state (Civil)

Mr. Ray joined Brown + Kubican, PSC in March 2010. He has over 20 years of varied experience in multiple construction types, sectors and locations throughout the United States. Having worked on projects ranging from site retaining walls to 30-story buildings, Mr. Ray brings his varied experience, technical expertise and responsiveness to all projects.

As project manager, Mr. Ray will represent Brown + Kubican, PSC to the owner and design team. He will be hands-on in the structural design and preparation of construction documents and technical specifications. During construction, he will attend progress meetings and observe the work of the construction contractor.

### PROFESSIONAL EXPERIENCE

#### **Bullitt County Library**

Shepherdsville, Kentucky

*An approximately \$7.0 M, 1-story, 40,000 sq ft central library. The structure consists of steel construction founded on shallow footings.*
